Work Experiences

PhD in Applied Economics and Management c/o the Interuniversity Doctorate of the University of Bergamo and University of Pavia.

Doctor of Pharmacy at the University of Pavia, where I subsequently deepened the issues relating to economics and drug-economic analysis through the experimental thesis and subsequent in-depth courses.

Contract professor in marketing and communication degree course in Pharmacy - Department of Pharmaceutical Sciences of the University of Pavia.

Assistant to the director, member of the faculty and lecturer at the MAMAF master, **Master in Marketing & Management of the Pharmaceutical sector** - Department of Pharmaceutical Sciences of the University of Pavia.

Member of the teaching staff and lecturer at the Master Nutrialia Master

specific for the Nutraceutical sector - Department of Pharmaceutical Sciences of the University of Pavia.

Lecturer at the Master in Pharmacy Services - Department of Pharmaceutical Sciences of the University of Pavia.

Senior Strategic Project Manager & Associate at S.A.V.E. Studies Analysis Economic Evaluations S.r.l., for which I take care of the coordination of research projects, which I accompany activities of publication, teaching and marketing communication as well as social network management.

Member of the editorial board of the journal ClinicoEconomics, Italian Articles on Outcomes Research.

I carry out intense training activities both within the ECM courses and in the national and international academic field, member of the scientific committee of MakingLife PharmaFuture & Health.

Member of the Pharmaceutical Marketing Department of the Italian Association for Marketing Development (AISM).

I have several Italian and international publications to my credit.

From October 2012 to May 2017 - **Farmacia Boccaccio by Dott.ssa Paola Colombo** - Via Boccaccio 26 - 20123 Milan, main pharmacist. Working in direct contact with customers; pharmacy private facility.

From January 2012 to September 2012 - **Ripa's Pharmacy by Dr. Giorgio V. Tarantino** - Ripa Ticinese 33-20143 Milan; main pharmacist. Working in direct contact with customers; pharmacy private facility.
I'm also able to manage independently the receipt, sorting and organizing of several orders of stock, with different operating systems.

From February 2011 to July 2011 - implementation of an experimental thesis at the **Società SAVE Studi Analisi Valutazioni Economiche s.r.l.** - Via Previati 74 - 20149 Milano.

Scope and theme of the script: **"Drug-economic aspects in the treatment of HIV."**

From March 2008 to December 2011 - **Ripa's Pharmacy by Dr. Giorgio V. Tarantino** - Ripa Ticinese 33-20143 Milan; trainee specialist with the function of supporting the main pharmacist, working in direct contact with customers, experience related to the field of professional training; pharmacy private facility.

From January 2010 to April 2011 - **Bruno Studio s.r.l.** - Via Salasco 40 20136 Milan. Taken with project contract at Studio Professional Real Estate management mentioned above, I have dealt with the organization and management team within the office itself. I managed and organized on my own their customer portfolio growth and, by a specific computer program, I managed budgets and invoices of many clients, followed then entirely by me.
Finally, through the creation of mailing lists, I have dealt with the continuous flow of information to current and potential customers, managing personal contact with the various parties.

From June 2008 to December 2009 - **"Azienda multi servizi e Farmacie" Farmacie Comunali di Cinisello Balsamo** - Via Carducci, 21 20092 Cinisello Balsamo. Trainee with the function of supporting the main pharmacist to provide support at the counter, in direct contact with customers. Pharmacies in public-municipal structure, here I was able to enrich my experience at all Municipal Pharmacies, located in the Municipality of Cinisello Balsamo.

2002 - 2008

Various jobs: telephone interviewer, trade or commerce for Fastweb, merchandisers, promoters for the company T-Communications working in marketing and advertising for third parties for which I was following the organization and supervision of the team assigned for sponsorship.
